SISTERS FOR LIFE

At Northern Kentucky Right to Life's October 2, 2022, 49th Annual Celebration for Life, Angela Minter, President and Co-Founder of Sisters for Life, from Louisville, Kentucky, presented the following remarks:

"Prior to 2004, I believed that the vision of my life was to retire from a very successful corporate career where I had made history as the first Black Woman Sales Representative of the Year... "The experience I had and the choices I made were because the Supreme Court dared to give me the right to take the lives of my babies... "God opened my eyes about the abortions I had as a teenager. I repented and asked for God's forgiveness, and in God's mercy I was forgiven."

"We're [Sisters for Life] a voice because black women are the leading consumers of abortion. We're a voice because in the black community there are not many voices talking about this issue... "I have a vision that black women are not going to fall for the lies. They have you believe the only thing that you're good enough for is to have an abortion... "I want to thank Northern Kentucky Right to Life... for those who have volunteered, those who have worked tirelessly over the years with seemingly no reward, those who seldom hear a word of thanks."
